

ST. MARY'S PARISH SCHOOL NEWSLETTER
for week of October 20, 2019

*The Mission of St. Mary's School is:
To Grow Disciples of Christ*

DATES to note: _____

This Week

Saturday, October 19 **Homecoming** for both U of I and WSU. Students in band have been working hard for both the parade and game. Should be a great weekend for the Vandals!

Monday, October 21 Feast of St. Ursula—patroness of the Ursuline Sisters (the religious order that founded the school in 1908)

Tuesday, October 22: Parents and students are invited to meet **Mayor Bill Lambert** at St. Mary's Parish Center between 7:30 a.m. and 7:45 a.m. on Tuesday October 22 at the Parish Center. Mayor Lambert will begin to walk to school by 7:45 a.m. Once at school all those who walked with him to school are invited to have hot chocolate, coffee and donuts in the school cafeteria. ALL are invited for this fun time. Mayor Lambert will stay for morning assembly with the students.

Wed., October 23 **Mass** at 9:00 a.m. Grades 6, 7 and 8 are the prayer leaders.

Thursday, Oct. 24 RETAKES of pictures

A. All students (PS 8) Immunization records **must be up to date and on file** at the school. First report to the state (required of every school) is due November 1. If your child's records are not up to date, your child will not be able to attend school until they are current, **or an exemption is on file at the school. (K through 8 are the only students allowed to have an exemption.)**

B. REMINDER: the school's policy dealing with **COMMUNICABLE DISEASE/ILLNESS** states "Since children are near each other in a classroom, illnesses can spread rapidly. If a child is running a temperature, has a rash, has inflamed eyes, or has been sent home from school for these symptoms, please do not send the child back to school until he/she is healthy. **Students must be free from fever and vomiting for 24 hours before returning to school.**" (Handbook page 24). We know it is hard, but it really is important for the child and other students to be as well as possible. In a school community (as in a family) illnesses do spread quickly! Thank you for understanding.

C. Please note starting Monday, October 21st, students may no longer wear shorts. Once weather changes for the better, usually it's in the Spring on May 1st shorts may be worn again.

D. Sign-ups for conferences (October 31 and Nov. 1st) on Google doc should be live this coming week. Be on the lookout for an email from the school office as to the link.

E. We will be having **childcare** on the conference days. Be sure to let the school know if you will be needing childcare on October 31 and November 1st. You can sign up with the office or the childcare staff.

F. Last year, *Jonathan Billings* **taught art** to the students. This will be happening again this year. He started today with grades 3 through 5th. He did a great job connecting All Hallow's Eve (i.e. Halloween) with All Saints Day (November 1st). Students were aware of the connection. He had them do a project using the acronym HALLOWEEN and the students came up with a saint for every letter. They have a "homework" assignment to read the origins of Halloween to the family outload and finish their little display and put it on display at your home.

The **Jog** was a great event. **Thank you** all who came and helped make it such a great success. We had 86% of all families present. The students showed their physical ability and strength by doing **1,840 laps in one hour**. This is equal to **440 miles** (approximately) running the Kibbie track in one hour! WOW.... Thank you again for your wonderful support. Special gratitude to the parents in PS and PK who came and participated in this event!

*REMINDER: deadline for pledge sheets + money collected is **November 1.***
