Holy Thursday Seder Meal/assistance:

And a HUGE thank you for ALL the families who gave foods for the Seder Meal on Holy Thursday. I apologize I don't have a final list of *who you all were*. However, we are so grateful to you for your donations.

And a huge thank you to those who came to help set up the meal and work in the classrooms: Cherish Viger, Cherie James, Dawn Overstreet, Dianna Spellman, Joy Newlan, Stacy Thornycroft. If I missed anyone please let me know---we were so blessed to have such wonderful help!

Please keep in your prayers:

- ❖ Please keep Mrs. Louise Oliveira's mother in your prayers. Her mother has had a stroke. She is recovering at a rehabilitation center, which is good news. She lives in California. Mrs. Oliveria will be returning to school on Tuesday.
- ❖ Please continue to keep Samson Bright in prayer too. As of a few days ago the scan results showed there is no more bile leak (thank God!) and the constricted bile duct *did allow a small amount of dye through* which means it *is still working!* He is recovering!
