

DRIVER'S VIDEO

Please check the Driver's Form for both the directions and the link to the **CMG website** to watch the *driver's video required by the diocese*.

PLEASE NOTE: In order for the school to have information on file regarding its drivers, all documentation, after completing driver requirement, **must be sent directly to the school's office** and not the diocese.

Also, the certificate from the video **must be printed or emailed to the school** and is kept in perpetuity - it is only *required once*.
