

RELIGION

St. Mary's Parish School is a Catholic School. Our focus is to assist every student not only in knowing *facts* about faith, but also can practice faith every day in all situations. It is our Mission-
- *To Grow Disciples of Christ.*

The focus of Religion is to have a positive and active relationship with God. Towards this goal we provide many opportunities for the students to grow in faith so that they.

- 1) learn to know and appreciate the Catholic faith through daily instruction that is based on their age and emotional maturity
- 2) are encouraged to live call as Disciples of Christ daily and
- 3) grow in one's love for their God and one another
